

60163 Tornado

19th, 20th, 26th & 27th October

If you are heading out to visit us, please remember to follow the rules of the railway and only go where permitted as the railway will be very busy over the weekend with many trains running. The locomotive can be safely seen in action at our stations. Please do not encroach onto the railway or running lines. The safety of all our customers is paramount, together with the safe running of the trains. Our lineside is clearly marked and fenced off for the safety of everyone. Please make this visit a safe and enjoyable one for everyone. Stay safe and away from the running lines.
