# The 15<sup>th</sup> Cyber Legion welcome you to 'Who's at the Railway' at the fantastic Nene valley Railway.

The UKCL was formed in January 2012 as a Facebook group, a collective entity for the Cybermen of the UK beyond. Over the months of 2014 grew and became a fully fledged non profit costing group. We make no personal profit from our attendances, instead raise money for various charities. We have attended many events including exhibitions, SciFi conventions and working with the BBC including a Doctor Who BBC Staff party at BBC Broadcasting House in London. We are all volunteers and give up our time to indulge in our fun hobby of costing.
