

Winter Lights Café Evening Menu

Why not make the most of our winter evening menu and grab a bite to eat whilst you're here for our Winter Lights Spectacular. As well as our usual hot and cold drinks, sandwiches and cakes, a choice of warm winter food will be available, served in a take away container so you can eat in the cafe beforehand or take it with you on board the train.

Homemade Sausage Rolls, £2.50. Always popular, made with seasoned sausage meat encased in golden flaky pastry. Lovely with a dollop of brown sauce, or as an accompaniment to our homemade soup for a more substantial meal.

Warm Pukka Pies, £3.00. A choice of fillings - Chicken & Mushroom, Steak & Kidney or Veggie Tikka – with a puff pastry topping.

Homemade Soup of the Day, £3.00. A warming soup, served for convenience in a take away cup. Lovely on its own, but also goes nicely with a homemade sausage roll.

Jacket Potato with Chilli Con Carne, £7.00. Perfect for those wanting a more substantial meal for the evening. An oven baked jacket potato served with homemade chilli con carne, made with lean steak mince.

Jacket Potato with Authentic Veggie Thai Green Curry, £7.00. An aromatic and warming dish, perfect for those wanting a more substantial meal for the evening. An oven baked jacket potato served with an authentic green Thai sauce made with Quorn pieces and fresh vegetables.

Please note, our café will be serving food until 4.45pm for the 5pm departure, and until 6.45pm for the 7pm departure.
